Dear Sir / Madam,

Re: Karots Suite Licence and Service Agreement No. _____ dated _____ — notice to pay the balance

Under the above Agreement (clause 7.3) and the Shop Rules & Service Guide (section 8), which you agreed to and initialled, the balance of the price was due within 90 days of installation. That date has passed, and our records show the following is still unpaid:

Total price (agreement)	Paid so far	Balance unpaid
Rs.	Rs.	**Rs.**

Please pay the balance **within 14 days of this notice**, that is **on or before** _____, by cash, bank transfer or cheque, to:

Pay to _____

Bank and account no. _____

If the balance is not paid by that date, your Karots Suite licence will end under clause 11.2 of the terms. We will then:

1. give you a **full backup of your shop's data**, which stays yours;
2. remove Karots Suite from your computers, at the shop or remotely with your permission, at a time we agree with you; and
3. stop updates, support and any Karots cloud backup.

As the terms say, money already paid is not refunded. Until that date your till keeps working as usual.

If you have already paid, please send us the receipt and ignore this notice. If you'd like to talk about how to pay, please call or message us before the date above.

Yours faithfully,

_____
